

Sealed InDepth ArcMed InDepth Series

Combine form and function with the ArcMed Sealed InDepth luminaire. Three luminaire sizes, five lens options, and multiple lumen packages and color temperatures allow for use in a variety of applications. The clear bottom lens provides a tight seal against water and dust ingress, protects against impact resistance, and enables quick and easy wipe-down/cleaning.

Top Product Features

- Choice of five lenses for visual interest
- Clear bottom lens provides a tight seal against dust, debris, and water ingress
- Clear bottom polycarbonate lens provides impact resistance
- NSF compliant for food related applications
- ISO5 cleanroom rating

Applications
