

CovSelect

Architectural LED Cove Lighting

Versatility at Your Fingertips

Field-selectable CCT and Lumens allow adjustments in the field to fit any indoor cove application.

CovSelect 4ft

CovSelect 1ft

Fits Anywhere

Built in versatility for an off-the-shelf cove solution that works.

Long Runs With Ease

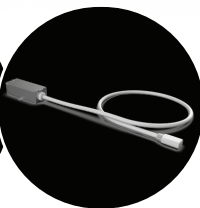

Integral driver and through wiring allows easy installation of runs up to 200 ft from a single power drop - no hiding remote drivers or field assembly required!

Aim Light Where You Need It

Adjustable mount (\pm 30°) included and pre-installed on every fixture for quick installation out of the box.

Works in Any Orientation

The built-in adjustable mount works facing up, facing down, or when mounted vertically.

Easy to Install

Quick connects and pre-installed mounts allow for fast and easy installation. Designed for consistent illumination even in small coves.

Customize Your Runs

Full range of jumpers, power harnesses, and control modules enable fixtures to fit into a wide variety of applications.
